ABOUT US

EASTPOINT TRADING & CONTRACTING EST. is a reliable industrial supply and site-support partner committed to delivering dependable products and practical solutions for demanding work environments.

We serve high-demand sectors including Oil & Gas and Construction, supplying welding and fabrication essentials, precision measurement tools, workshop equipment, and personal protective gear. We also source any specific item or material your project requires.

For us, customers come first, which is why we **source any item, tool, or material they need**, providing seamless support from request to delivery.

We support contractors, fabricators, maintenance teams, workshops, industrial facilities, and project sites with products selected for performance, durability, and operational reliability.

Vision

To be a trusted industrial supply partner across every project environment. We aim for Eastpoint to be recognized for dependable products, professional service, and the capability to meet evolving requirements across construction, fabrication, maintenance, and industrial operations.

Mission

Delivering the Right Product for the Right Application

Our mission is to empower customer success by delivering reliable industrial and essential products with unmatched efficiency and precision. We are committed to connecting our customers with trusted brands and technical solutions while maintaining high service standards and exceptional commercial value.

What Sets Us Apart

01

Extensive range of industrial and technical products from trusted international brands

02

Competitive commercial value

03

Quality-focused product selection

04

Customized technical solutions for demanding conditions

05

Quick and responsive customer support

Welding & Cutting Tools And Accessories

We supply a complete range of tools and accessories for all welding and cutting processes, ensuring quality and reliability for every job.

Our Brands

All types of welding accessories, workshop essentials, and operator protection products.

High-performance welding cables designed for flexibility and conductivity.

Gas-processing equipment, regulators, torches, and oxy-fuel accessories.

Electrode holders, Clamps, connectors, and grounding solutions.

Gas management components, regulators, fittings, and manifolds.

Gouging equipment and carbon electrodes for metal processing.

Welding curtains, screens, partitions, and enclosed work areas.

Pipe Fabrication & Support

We provide comprehensive pipe fabrication and support solutions, combining advanced purging technology with precise alignment, fit-up, beveling, and inspection equipment.

Key Brands & Solutions

Aquasol
CORPORATION

Purge materials, dams, and oxygen-monitoring equipment for stainless steel, alloy, and high purity piping.

Sawyer

Beveling & Cutting, Alignment and fit-up tools, for pipe positioning and joint preparation etc.

**MATHEY
DEARMAN**

Pipe cutting, beveling, alignment, and preparation tools.

**G.A.L.
GAGE CO**

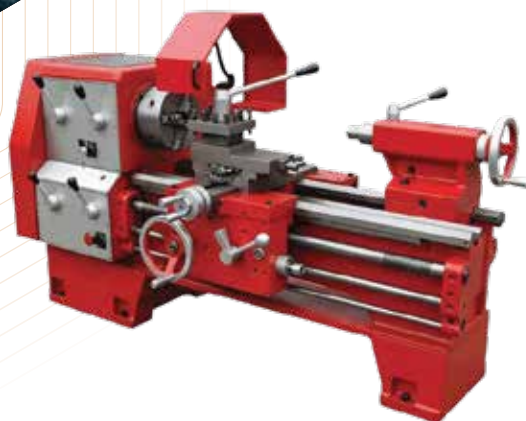

Precision gauges and inspection instruments for QA/QC professionals.

Our Products

Precision, Workshop & Metalworking Tools

The right tools improve accuracy, reduce downtime, and enhance productivity. We offer a broad selection of professional tools for machining, drilling, measurement, maintenance, and workshop applications.

Our Brands

 Precision drills, taps, reamers, and cutting tools.	 Pneumatic equipment, compressors, and lifting systems.	 Magnetic drilling machines, annular cutters, and beveling tools.	 High-accuracy measurement instruments.
 Workshop tools, spanners, and maintenance accessories.	 Heavy-duty measuring equipment for surveying.	 Measuring tools for industrial and construction applications.	 Industrial marking products for tough surfaces.
 Temperature-indicating products for heat treatment and thermal control.	 Power Tools, Hand Tools & Industrial Equipment.		

Our Products

Personal Protective Equipment (PPE)

We supply top-tier industrial safety equipment designed for reliability, performance, and long-lasting durability in demanding work environments.

Our Brands

Solutions for respiratory protection, eye & face protection, hearing protection, industrial abrasives, and workplace protection essentials.

Comprehensive safety portfolio including head protection, fall protection, gas monitoring, breathing apparatus, personal safety equipment, and high-risk workplace protection.

Heavy-duty protective solutions including shelters, flame-resistant covers, tarpaulins, and temporary enclosures for challenging outdoor conditions.

- Industrial Supplies • Welding & Cutting Solutions
